Together

Helen Forrest and Dick Haymes

Music and Lyrics by Ray Henderson, Lew Brown-and

B.G. DeSilva

Featured in a 1944 war movie Since You Went Away

We strolled the lane together,

Laughed at the rain together,

Sang loves refrain together,

And we both pretend

It will never end.

One day we cried together,

Cast love aside together,

You're gone from me,

But in my memory,

We always will be together.

We strolled the lane together,

Laughed at the rain together,

Sang loves refrain together,

We knew long ago

That our love would grow.

Through storm and sun together,

Our hearts are one together,

You're gone from me,

But in my memory,

We always will be together. br>
