There was a time when I was whole  
When I had it all together  
But that was long ago.  
Now several years later  
I still don't know any better.  
I don't know how to let this go.  
I've tried to keep myself  
From breaking.  
I've tried to keep my heart  
From aching...  
But these tears come back,  
And grab me by the throat.  
I wish that I was better.  
I've just tried so hard  
To forget it.  
It's always here, even when I'm not

I am fine.  
I'll make it on my own this time.  
I'm better off alone.  
I'm better off alone.

There was a time  
When it all made sense...  
When I was content.  
But that was years ago.  
I watched the world crash down  
Around me.  
I watched my friends go on  
Without me  
And leave me stranded and alone.  
And I've been left  
With next to nothing,  
And I've been burdened to carry  
Something... Something I don't truly  
Understand.
