I'm dying on the inside,
From questions that I cannot answer because you
taught me how to hurt
So where do we go now?
Because I'm just not allowed
I just can't comprehend
Does anyone know what it feels like?
To put your heart on the line.
You know I'll always care
But you were always unaware
Of what's been happening in my mind

Thanks, for, all that you put me through
Even though, I said that I'd be there for you

Does anyone know what it feels like?
To put your heart on the line.
You know I'll always care
But you were always unaware
Of what's been happening in my mind

I want you to know that I'm over you.
