Hey Ol' Lady let's go

To the Motel Cowboy Show

We'll drink and dance

There's no place else to go

We'll stay out all night long

We'll toast the break of dawn

Hey Ol' Lady let's go

To the Motel Cowboy Show

Well they rolled one for the road

Put on the same dirty ol' clothes

Down the trail they rode

To the Motel Cowboy Show

Well they parked at the end of the line

Underneath the cold beer sign

It's a long long way to ride

Without your whiskey and your wine

Something stronger would be fine

Something stronger would be fine

I said Hey Ol' Lady lets go

To the Motel Cowboy Show

We'll drink and dance

There's no place else to go
We'll hang out all night long
We'll toast the break of dawn
Hey Ol' Lady let's go
To the Motel Cowboy Show
Well they walked through the swingin' doors
Through the sawdust on the floor
Everybody was ready to go
At the Motel Cowboy Show
Well they've been all over the land
Not bad for a honky tonk band
Well it's a long hard hill to climb
When you're so far ahead of time
And you've never seen a dime
You're so far ahead of your time
Hey Ol' Lady lets go
To the Motel Cowboy Show
It's late but there ain't nowhere else to go
We'll hang out all night long
We'll toast the break of dawn
Hey Ol' Lady let's go
To the Motel Cowboy Show
Well the doses soon kicked in
And the fun would soon begin
The fun would soon begin

And the world did a great big spin

Ooooh baby it's fun

It ain't no sin

I know you well

You don't remember

We partied way back in November

Of '72 or was it '73

I know you well

You don't remember me

All the faces changed

And the room went round

What a mystic place

What a mystic sound

Well they rolled one for the road

And they candied up their nose

Down the trail they rode

To the Motel Cowboy Show

Hey Ol' Lady let's go

To the Motel Cowboy Show

We'll drink and dance

There's no place else to go

The boys are in their prime

We'll see 'em one more time

Hey Ol' Lady let's go

To the Motel Cowboy Show
