Awkward and uneasy,  
You know that I'd kill for you  
I never thought it'd hurt so much,  
Just to have you as a friend,  
Sitting on that couch with you,  
Does me up in knots,  
I feel my heart being ripped apart by a dozen happy  
thoughts,

That you,  
Planted there for me,  
To say how I felt for you,  
Just was not enough,  
My friends say get over this,  
That song will play inside,  
To say you don't feel anything,  
Is a downright fucking lie

I cant, Stand by, As I,  
Get torn into a thousand pieces,  
Your lips,  
Those eyes,  
Tell me,  
Abandon hope regret my feelings

Awkward and uneasy,  
You know that I'd kill for you  
I never thought it'd hurt so much,  
Just to have you as a friend,

Regret my feelings

I cant, Stand by, As I,  
Get torn into a thousand pieces,  
Your lips,  
Those eyes,  
Tell me,  
Abandon hope regret my feelings

Regret my feelings
