House of roosters  
Rock rooster  
Heading your way  
Rock rooster  
Come out and play  
Rock rooster  
Come on up  
Rock rooster  
Don't you ever stop

Bone crunching grind  
It hits you like bullets in the frontline  
The walls are shaking

Rock rooster  
I love your ways  
Rock rooster  
Don't you ever change  
Rock rooster  
Don't feel no pain  
'Cause the goddamn rooster ain't got no shame

Worship the alter  
Like black magic  
He will mesmerize us all

'Cause I'm the  
Bad ass rooster  
So - fuck you all  
'Cause I'm the  
Bad ass rooster  
So - fuck you all

Lie to me  
Comfort me  
A soft embrace  
That shelters all  
Take my lows  
Doubts and pain  
Give me more

Bad ass rooster  
Rock the floor!

A room filled with wasted  
Youth and sacrifice  
Melodies like wails of warfare  
Like a free burning fire  
For the true believers  
Let's burn down the house  
Rooster
