Well come on and 'a run, run, run with me;
We gotta' lotta' stuff we gotta'do.
We got some spring cleaning,
That I been a meaning to get around to.
Come on and don't forget the big broom.

(chorus)

It takes a mighty big woman,
To work a mighty big broom.
And it takes a mighty big broom,
To sweep up this room.

Well come on and 'a run, run, run with me;
And don't forget to tie your shoes.
We got some spring cleaning,
That I been a meaning to get around to.
Come on and don't forget the big broom.

(chorus)

(spoken)

Well it's a mighty big broom.
Yep..big old broom.
Whoooo-eee!
Look at the size of this mother f*ckin' broom!
