Jeany loved Charlie with all of her might  
But she missed the boy bad when he was working all  
night  
Every day was the same but she wanted more  
So Jeany took to leaving out of every door saying

Chorus

Sometimes the wheels just start rollin'  
Don't always know where you're goin'  
May not leave you with a whole lot to say, yeah yeah  
But baby ain't that always the way  
Oh baby ain't that always the way

Reverend Jim was a preaching one night  
He was a layin' his hands a just a little too tight  
Folks didn't know that those streets made of gold  
Were paved with there money  
Jim headed down the road singing

Chorus

Tommy practiced hard just to play the guitar  
Gonna make a million dollars - gonna be a big star  
He fell in love with Betty and that all changed  
He's happy playin' his guitar out on the front porch  
swing singing
