### "Bound to the peace"

sometimes the heart rules the head  
sometimes the blood rules the brain  
some things are best left unsaid  
some things will give under strain  
i am bound, bound to the peace  
yes i am bound, bound to the peace  
sometimes you hear the baby crying  
sometimes you go back to sleep  
sometimes apology's accepted  
sometimes the scars are way too deep  
i am bound, bound to the peace  
yes i am bound, bound to the peace  
sometimes you see no solution  
sometimes it's worse and worse it gets  
sometimes you wonder could ya, would ya  
lose the courage if put to the test  
i am bound, bound to the peace  
yes i am bound, bound to the peace  
what good is being forgiven if you can't forgive  
yourself (x2)  
i am bound, bound to the peace.....
