Well here it is , my time has come
Won't be long I'll be moving on
I can't complain, I've had my day
Now I'll be on my way

And all the good times that we've
Had
Much more good than bad
What more can I say?
Now I'll be on my way

Don't be sad now when I'm gone
Take your time while you're still
Young
In the warm sunshine make hay
Now I'll be on my way
Where I'm going , I don't know
But I'm heading off in sun
Rain hail or snow
In the yard I hear the children play
Now I'll be on my way
have no fear of what's to come
My faith in better days is strong
Somewhere warm and safe to stay
Now I'll be on my way

You might think you need my love
But I can't give you half enough
You deserve the warmest purest
Rays
Now I'll be on my way
Slan leat anois mo stor
There's no need to see me to me door
We'll meet again I hope and pray
Now I'll be on my way
We'll meet again I hope and pray
Now I'll be on my way
