I saw her in the Macnas Parade
Singin' and dancin' as the drummers played
Hoppin' and skippin', sure she made my day
I saw her in the Macnas Parade

The streets were black with people
'twas the finest day so far
All watching for the creatures on their way to Noah's
ark
She came hoppin' she came dancin'
Near the head of the parade
Twirling an umbrella and singing about the rain

I saw her in the Macnas Parade
Singin' and dancin' as the drummers played
Hoppin' and skippin', sure she made my day
I saw her in the Macnas Parade

All the gang were rushing
To board at Claddagh Basin
There were preachers preaching "Please repent" and
even snails were racin'
God watched it from a hand-shaped cloud
Descended from the sky
Nothing that I saw was more pleasing to my eye

I saw her in the Macnas Parade
Singin' and dancin' as the drummers played
Hoppin' and skippin', sure she made my day
I saw her in the Macnas Parade

I saw her in the Warwick
First Friday Club last week
I tried to ask her dancin' but I could hardly speak
An' I wonder what they'll think up
For the big parade next year
I'll tell you one thing, that's for sure, I'll be a volunteer

I saw her in the Macnas Parade
Singin' and dancin' as the drummers played
Hoppin' and skippin', sure she made my day

I saw her in the Macnas Parade

I saw her in the Macnas Parade
Singin' and dancin' as the drummers played
Hoppin' and skippin', sure she made my day
I saw her in the Macnas Parade

I fell in love at the Macnas Parade
