I was smokin' joints, poppin' pills
And now I'm feelin' ill
OH me heart is livin' in
The sixties still

I took off me clothes in the Odeon
Just to watch the Woodstock film
OH me heart is livin' in
The sixties still

J.F.K. was gettin' shot down
When Joe Kelly married Phil
OH me heart is livin' in
The sixties still

Bob Dylan says timed are changin'
But I know they never will
OH me heart is livin' in
The sixties still

When Johnen Donnellan held the Sam Maguire
I was standin' on the hill
OH me heart is livin' in
The sixties still

When the Beatles says "She loves you"
It's your biggest teenage thrill
OH me heart is livin' in
The sixties still
