It might be raining and it might be cold,  
and the bishops gone and left the fold,  
oh we're standing proud and we're walking tall,  
we got michael d rocking in the dail for us  
michael d rocking in the dail  
the shining star for all who strive  
to live and love creative lives  
the signers on with great ambitions  
the mighty open blind dead visions  
we got michael d rocking in the dail for us  
michael d rocking in the dail  
michael d rocking in the dail for us  
michael d rocking in the dail  
poll of peace and the poll of words  
the beckoning free thinking world  
poll of every class and colour  
crime parades and brave young mothers  
we got michael d rocking in the dail for us  
michael d rocking in the dail  
michael d rocking in the dail for us  
michael d rocking in the dail

the time has come and now's our chance,

to sing and smile, get up and dance

he's got the job no better man,

you've life on you michael do all that you can,

welcome in and shifted age

we don't ask more and we've turned the page

we got michael d rocking in the dail for us

michael d rocking in the dail

michael d rocking in the dail for us

michael d rocking in the dail

michael d rocking in the dail

michael d michael d, up and he's michael d michael d  
michael d givin his all

michael d michael d, up and he's michael d michael d  
michael d up in the dail

michael d givin his all

michael d michael d, up and he's michael d michael d  
michael d up in the dail

michael d lectured me in sociology, i was in UCG for the  
degree

for social policy, global equality, he was the king of the  
arts faculty
