Doo doo do do da da doo doo do do da da do-do Wuh-o!

The half time Tom has a photo in his wallet that he shows me every time we meet.
Here he is now, standing at the bus stop and he's calling me across the street.

Car pulls up
Window rolls down
Sham dya want to buy some blues?
I've got the lot,
DVD's and videos
A rake of them here in the boot.

I'd love ta be one of the Well Byes (Well Byes!)
The have stories ta tell byes
The dell byes
The chell byes
The buy and sell ya byes
I'd love ta be one of the...Well Byes!

Doo doo do do da da doo doo do do da da do-do Wuh-o!

Doo doo do do da da doo doo do do da da dodo

Baseball caps, tracksuits 'n' hoodies
Stripes black, white and grey
Sometimes I'm wonderin' when I walk up town
Am I wanderin' in East L.A?

But there's a table down, outside the Post Office,
getcha comin' out or going in
A scrapin' and a scratching like a dog with fleas, don't believe I'll ever win.

I'd love ta be one of the Well Byes (Well Byes!)
The have stories ta tell byes
The dell byes
The chell byes

The buy and sell ya byes
I'd love ta be one of the...Well Byes!

Doo doo do do da da doo doo do do da da do-do Wuh-
o!

Doo doo do do da da doo doo do do da da do-do Wuh-
o!

But an old wan holds her purse outside the Post Office,
she's not too sure about giving
She says "Where's it all going?"
And he says: "Ma'am sure we all hafta make a living."

I'd love ta be one of the Well Byes (Well Byes!)
The have stories ta tell byes
The dell byes
The chell byes
The buy and sell ya byes
I'd love ta be one of the...Well Byes!

Doo doo do do da da doo doo do do da da do-do Wuh-
o!(Well Byes!)

Doo doo do do da da doo doo do do da da do-do Wuh-
o!

Oh I'd love ta be one of the Well Byes!
The cast ya under a spell byes (Well Byes!)
The stand outside a hotel byes (Well Byes!)
I'd love ta be one of the Weeell Byes!
