These few years have felt like a lifetime
She's given all her love to me
Beside me sorting out my problems
Guiding me into maturity
Why didn't I see?

Chorus:

What a day, oh what a day-ay-ay
What a day, oh what a day
What a day, oh what a day-ay-ay
What a day ohhhh-oh-oh-oh, what a day

We've had our differences
and come through them
Stumbled and crawled along the way
but she means the whole world to me
I won't ever let her go away
What do I mean to say?

Chorus

What a day!

These few years have felt like a lifetime
She's given all her love to me
Beside me sorting out my problems
Guiding me into maturity
Why didn't I see?

Oohhhhhh

Chorus

Repeat x 3: What a day!
