Why do I always want you?  
Why do I always need you?  
Why do I always want you?

Doesn't seem to matter where I am,  
On my bike or in a traffic jam,  
A fit of rage couldn't stop the flow,  
My obsession just grows and grows and grows.

Why do I always want you?  
Why do I always need you?  
Why do I always want you?

A narrow mind could be my downfall,  
Couldn't care less I hate being careful,  
My private life is in an awful mess,  
My heart is sending out signals of distress.

Why do I always want you?  
Why do I always need you?  
Why do I always want you?

I saw your picture in a local paper,  
Cut it out I'm gonna keep it forever.  
I'm paying homage, girl, it's long overdue,  
I'd build a shrine with my bare hands for you.

Why do I always want you?  
Why do I always need you?  
Why do I always want you?  
etc.
