Well it sure didn't take too long  
I woke up this morning she was gone  
And the note that she wrote  
Didn't say Dear John, just goodbye sucker I'm gone  
She was a homegrown mountain girl  
Raised in a different world  
I was a wanna be rocker  
She was more into Merle  
Couldn't see it just wouldn't work  
And now I'm double fisting long necks, grapefruit and  
Stoli  
Never getting over Joely

Well I poured myself in my car  
I drove it on down to the bar  
But they wouldn't let me in  
Cause I ain't a movie star  
So I went to the Horse Shoe on Lamar  
The bouncer threw me out there too  
And I didn't know what to do  
So I picked up the phone  
And I Called guess who?  
But the call block wouldn't let me through  
And now I'm wishing for some drugs or a shrink to  
console me  
But I'm never getting over Joely

Well I gathered up all my guns  
And a pipe bomb just for fun  
And I drove to her house and parked on the lawn  
she's right I always was the crazy one.  
Well her boyfriend was sure nice to me  
Said calm down would you like a drink  
And then I shot him full of holes  
From his nose to his knees  
And I polished off my little sweet pea  
And I'm crying on me knees feeling dirty and unholy  
But I'm never getting over Joely  
Now I'll probably get life and serve at least forty,  
But I'm never getting over Joely
