(Willy Braun, Angelo)

You can say it's all my fault
And I can blame it on you
We can beat this horse all night if you want to
We can talk in circles, baby
We can drive it to the ground
But it'd sure be nice if we could
Work it out.

'Cause it's a hard fight to win
Our backs up to the wall
You won't break and I won't bend
Don't that just beat all?

'Cause it's a hard fight to win.
Come morning I was so far gone
But I think all night about it
Try to reach you on a truck stop telephone
Maybe we can work it out
So we don't have to shout it
I just hope I find you home alone.

'Cause it's a hard fight to win
Our backs up to the wall
But you won't break and I won't bend
Don't that just beat all?
'Cause it's a hard fight to win.

Let it out easy
Or let it out slow
Or this could be the end of it
Before we know. (now. no.)

Ain't it a hard fight to win.
When our backs up to the wall
But you won't break and I won't bend
Don't that just beat all?
Babe, it's a hard fight to win.

And our backs up to the wall

But you won't break and I won't bend
Don't that just beat all?
'Cause it's a hard fight to win...
