(Chris Schelske, Willy Braun)

I got a phone call today
from a girl who walked away
But I hung it up before I heard
What it was she had to say.

Hey say may
Well I drank all day
Damn it I told her
I'm doin' alright.

I found a letter buried in my drawer
what it said I'm not quite sure
But it's been so long since you walked out my door
I just don't care anymore.

I don't care
Fallin' drunk down the stairs
Damn it I told her
I'm doin' alright.

I'm doin' alright
I'm doin' alright, yeah
And nobody's changin' the way that I'm feelin' tonight
'cause I'm doin' alright.

Well, it must've been twelve months ago
when I found it slipped under my door
But I never read it, I guess I was sore
I don't even know now what for.

For the girl next door
Twenty years before
There's cookie crumbs on my floor
I'm doin' alright.

And then a moment of weakness it came
then as I looked at her name
I shook my head as I struck a match
And I watched it all go up in flames.

Up in flames
As I smoke my mary jane
Goddamnit I told her
I'm doin' alright.

I'm doin' alright
I'm doin' alright, yeah
and nobody's changin' the way that I'm feelin' tonight
'cause I'm doin' alright.

Except for my multiple personalities.
We're doin' alright!...
