(Billy Joe Shaver)

Well, she's the queen of the red-hot mamas
The hottest thing in town
Yeah, when she shows up at a honky-tonk
She can right just leave you down
You know she get on down
Yeah, on down to the ground
She's the cat's meow and the dog's bow-wow
The hottest thing in town.

Well, a friend of a friend of a friend of mine
Said he knew her well
Said she hung around heaven 'til she learned too much
She headed straight for hell
She went straight to hell
Everything for sale
Well, she walks the walk and talks the talk
The hottest thing in town.

Well, she's the hottest thing in town by a country mile
Yeah, she can lick her lips and roll her hips
Really make you smile
She's got everybody's number
And she's making all the rounds
She's a hell of a heavenly ball of fire
The hottest thing in town.

Hey well, someday I'll get lucky, I'll slide into her town
Maybe if she sees me
We'll go 'round and 'round and 'round
We'll go 'round and 'round
Yeah, we'll burn the whole town down
We'll be a red hot thing and the latest fling
The hottest thing in town.

Yeah well, she's the hottest thing in town by a country
mile
Yeah, she can lick her lips and roll her hips
Really make you smile
She's got everybody's number

And she's making all the rounds
She's a hell of a heavenly ball of fire
The hottest thing in town
Yeah, she's a hell of a heavenly ball of fire
The hottest thing in town.

Yeah, she's the hottest thing in town
The hottest thing in town.

The hottest thing in town...
