Every time I think I'm gonna wake up
Back in the jungle
Every minute I stay in this room
I get weaker
Each time I looked around
The walls moved in a little tighter
I've never seen a man so broken up
Ripped apart
They say my name is death
I've never seen a man so broken up
Ripped apart
But I'm alive, I am alive
I've never seen a man so broken up
Ripped apart
I am born ten thousand times
I've never seen a man so broken up
Ripped apart
Ten thousand ways, I'm alive
I am the shadow
I am the evening come
I am your greatest fear
Your greatest love
Born in ten thousand ways
For each and every day
I am alive
I am the victim of lying morality
And so, I am beyond caring
I am born ten thousand times
In ten thousand ways
My head swims in spoilt mothers milk
I am too alive
There are too many of me,
Too many to kill
They're in my head
They know my name
My name is death but I am alive,
I am alive
