Hey Ol' Lady let's go

To the Motel Cowboy Show

We'll drink and dance

There's no place else to go

We'll stay out all night long

We'll toast the break of dawn

Hey Ol' Lady let's go

To the Motel Cowboy Show

Well they rolled one for the road

Put on the same dirty ol' clothes

Down the trail they rode

To the Motel Cowboy Show

Well they parked at the end of the line

Underneath the cold beer sign

It's a long long way to ride

Without your whiskey and your wine

Something stronger would be fine

Something stronger would be fine

I said Hey Ol' Lady lets go

To the Motel Cowboy Show

We'll drink and dance

There's no place else to go  
We'll hang out all night long  
We'll toast the break of dawn  
Hey Ol' Lady let's go  
To the Motel Cowboy Show  
Well they walked through the swingin' doors  
Through the sawdust on the floor  
Everybody was ready to go  
At the Motel Cowboy Show  
Well they've been all over the land  
Not bad for a honky tonk band  
Well it's a long hard hill to climb  
When you're so far ahead of time  
And you've never seen a dime  
You're so far ahead of your time  
Hey Ol' Lady lets go  
To the Motel Cowboy Show  
It's late but there ain't nowhere else to go  
We'll hang out all night long  
We'll toast the break of dawn  
Hey Ol' Lady let's go  
To the Motel Cowboy Show  
Well the doses soon kicked in  
And the fun would soon begin  
The fun would soon begin  
And the world did a great big spin

Ooooh baby it's fun  
It ain't no sin  
I know you well  
You don't remember  
We partied way back in November  
Of '72 or was it '73  
I know you well  
You don't remember me  
All the faces changed  
And the room went round  
What a mystic place  
What a mystic sound  
Well they rolled one for the road  
And they candied up their nose  
Down the trail they rode  
To the Motel Cowboy Show  
Hey Ol' Lady let's go  
To the Motel Cowboy Show  
We'll drink and dance  
There's no place else to go  
The boys are in their prime  
We'll see 'em one more time  
Hey Ol' Lady let's go  
To the Motel Cowboy Show
