Set me free, set me free  
I need a little more room to breathe  
And the freedom to do what I please  
Mama set me free

Set me free, set me free  
Let me see what I can see  
Have mercy on a boy like me  
Mama set me free

Drop me off on a mountaintop somewhere  
Well I'Ä, 'll point Ä, "em down and say my prayers  
No one understands it, maybe they don'Ä, 't care  
We'Ä, 're only here because itÄ, 's there

Set me free, set me free  
I wanna be what I can be  
City livin'Ä, ' ainÄ, 't livin' to me  
Mama set me free

Set me free, set me free  
Let me see what I can see  
Have mercy on a boy like me  
Mama set me free

Well I'Ä, 'll go where people don'Ä, 't go  
Where the iron horses don'Ä, 't roll  
High above the sea of gray below  
The great mystery and the cold wind blows

Set me free, set me free  
I need a little more room to breathe  
And the freedom to do what I please  
Mama set me free

Set me free, set me free  
Let me see what I can be  
Have mercy on a boy like me  
Mama set me free

Have mercy on a boy like me  
Mama set me free

Have mercy on a boy like me  
Mama set me free
