(A. Young, B. Johnson)

She was a fast machine, she kept her motor clean

She was the best damn woman that I ever seen

She had a sightless eye telling me no lie

Knockin' me out with those American thighs.

Taking more than her share, had me fighting for air

She told me to come, but I was already there

'Cause the walls start shaking, the earth was quaking

My mind was achin' and we were makin' it and you.

Shook me all night long

Yeah, you shook me all night long

Running double time on that seduction line

She's one of a kind, she's just mine all mine.

Well, her claws are just another cause

Made a meal out of me, and come back for more

Tried to cool me down to take another round

Well, I'm back in the ring to take another swing.

But the walls were shaking the earth was quaking

My mind was aching and we were making it and you.

Shook me all night long

Yeah you, shook me all night long

Knocked me out, I said you

Shook me all night long

Had me shaking and you

Shook me all night long

Had me shaking

Well, you shook me.

You really shook me and you.

Shook me all night long

Aaahaaahaah you

Shook me all night long

Yeah, yeah you

Shook me all night long

You really got me and you

Shook me all night long

Yeah, you shook me

Yeah, you shook me all night long...
