I had a sweet thing going  
On the high side of town  
I tried to fit in her world  
But it came crashing down

She was mine for awhile  
She was so fine for awhile  
Now I'm back to being wretched again  
(Wretched again)

She really spoiled me rotten  
She made me a kept man  
Well, I miss my nights rockin'  
(All night rockin')  
Yeah, in her sweet hands

She was mine for awhile  
I did my time with a smile  
Now I'm back to being wretched again  
(Wretched again)

Yeah, she really had her claws in me  
Well, I had to just get back on the street  
And down to the other side of the track  
Right where I belong with the rest of the trash  
And being wretched again  
(Wretched again, wretched again)

We were the unlikely couple  
And the word got around  
That I was headed for trouble  
(Ooh, big trouble)  
Runnin' with the wrong crowd

I toed the line for awhile  
And I lived high for awhile  
And it was fine for awhile  
Now I'm back to being wretched again  
(Wretched, wretched again)

Yeah, it was fine for awhile  
I did my time with a smile

She was so fine for awhile  
Now I'm back to being wretched again  
(Wretched, wretched again)  
(Wretched, wretched again)
