Everybody held their breath when you walked in  
Guess no one thought to tell me you were back in town  
again  
Everyone remembers how you shut me down  
And let me tell you jaws were dropping left and right  
when we walked out

It's so good to see you now  
It's as though you were never gone even after all this  
time  
And I want you more than ever  
And I know you'll never be mine

You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight

Arm in arm out strolling down on riverside  
Two broken hearts beating fast and right in time  
I got nothing to lose, I might as well lay it on the line  
And I don't want to be alone so won't you stay with me  
tonight?

It's so good to see you now  
It's as though you were never gone even after all this  
time  
And I want you more than ever  
And I know you'll never be mine

You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight

No one feels the same against my skin  
Feels so right just to be with you again  
I'm still not over the first time you let me go  
But I don't hold that against you and I wanted you to  
know

It's so good to see you now

It's as though you were never gone even after all this  
time

And I want you more than ever  
And I know you'll never be mine

You don't have to stay forever  
You don't have to stay forever  
You don't have to stay forever  
Maybe you could stay tonight
