Caught in a landslide, pure ã ¸ ~caine trail
Paleface, no trace, hidinã ¸ (TM) from the man
Starinã ¸ (TM) at the mirror with a gun in your hand

Backslider, Backslider, lost in pain
Canã ¸ (TM)t slay the dragon when heã ¸ (TM)s
runninã ¸ (TM) through your veins
Noddinã ¸ (TM) out, no doubt, hidinã ¸ (TM) from the
man
Starinã ¸ (TM) at the mirror with a gun in your hand

Backslider, Backslider, sinkinã ¸ (TM) on down
Like a rooster in a rainstorm, you gonã ¸ (TM) drown
Juice head, ã ¸ ~bout dead, hiding from the man
