Next To Argyle
You Are Gingersnap
Cousin to Chimpanzee
You came swinging
In my life
Munkeys kill the miserables

Oh sadder days
No longer, we should celebrate
No Miserables

Next to argyle
You are june perfurme
Fairweather trampoline
Fell off, well get back
In my life
Munkeys kill the miserables

On holidays, we should never stray
No, never, ever.....stop
Another one goes by

Here comes the broom it sweeps by,
Trust fades to "F Word" drive by's
I never hated, but now my hate's so strong
Cuz I don't want to fall in love with a maybe

And I could be wrong
And I could be wrong
And I could be wrong
And I could be...

Next to argyle
We are off the tracks
Trust is necessity
In time, it gets back in your life
Munkeys kill the miserables

Oh saturdays, no longer
We should sell our brains
No miserables

On holidays, we will never stray
No, never, ever....stop
It's gonna be alright

Here comes the broom it sweeps by
This time it sweeps on right by
We now know, how to mess with major miss
Cuz I can't wait to fall in love with you baby....again

And I could be wrong
And I could be wrong
And I could be wrong
And I could be wrong

...but I'm not
