Visit "Up & Down" on MotoLyrics.com

girl who loves to dream lives her life to the extreme with adrenaline never had a life and she plays hard through the night in the game of up & down

girl who longs to explore with the fruit down to the core but she wanted more yes she wanted more if you're gonna crash and burn be prepared to take your turn in the game of up & down yeahh up & down

from light's path you strayed your dreams will show you the way time will take your fears away
