I'll never be a knight in armor without  
a sword in hand or kamikaze fighters  
Don't count on me to storm the barricades  
and take a stand or hold my ground  
You never see in the scars or wounds to walk  
on coals i won't walk on water

I am no prince  
I am no saint  
I am not anyone's wildest dream  
But i will stand behind and be  
Someone to fall back on

Some comedy bruised and beaten down  
And i am the one who's looking for a favor  
Still honestly you don't believe me about  
the things i have or the things you need  
You look at me like i don't make sense  
Like a waste of time, like it serves no purpose

I am no prince  
I am no saint  
And if that's what you believe in  
You're wrong you don't need much  
You need someone to fall back on  
Tell me that i need  
to take your side  
If I'm the only one  
I'm used to that  
I've been alone I'd  
rather be the half of us  
Least of you, the best of me

And i will be  
I'll be your prince  
I'll be your saint  
I will go crashing  
through fences in your name  
I will i swear  
I'll be someone to fall back on

I'll be the one who waits

For as long as you let me  
I will be the one you need  
I'll be someone to fall back on

Someone to fall back on  
One to fall back on
