"Pure love"

Ahâ€¦ ahâ€¦ ahâ€¦

When the wind calls your name we could fly
Fly so high on the wings of love, close to clouds in the sky
In my heart, you're by my side, our souls collide, lost in time
I wish the dawn will never come, just to feel you and to make you mine

I believe that one day all my dreams can come true
You will come in my life and you
You'll hold me in your arms forever
I'll open the gates of my heart for you

Ahâ€¦ ahâ€¦ ahâ€¦ ahâ€¦

Longing now for your touch, give me strength
Like my darkness, when you put your lips to mine
Oh, take away all my sadness

I believe that one day all my dreams can come true
You will come in my life and you
You'll hold me in your arms forever
I'll open the gates of my heart for you

(I believe that you shine like the sun)
(I believe from the heart we are one)

You hold me in your arms forever
I'll open the gates of my heart for you
I want pure loveâ€¦ (I believe from the heart we are one)
