And this is how it feels when I ignore the words you  
spoke to me  
And this is where I lose myself when I keep running  
away from you  
And this is who I am when, when I don't know myself  
anymore  
And this is what I choose when it's all left up to me

Breathe your life into me  
I can feel you  
I'm falling, falling faster  
Breathe your life into me  
I still need you  
I'm falling, falling  
Breathe into me  
Breathe into me

And this is how it looks when I am standing on the edge  
And this is how I break apart when I finally hit the  
ground  
And this is how it hurts when I pretend I don't feel any  
pain  
And this is how I disappear when I throw myself away

Breathe your life into me  
I can feel you  
I'm falling, falling faster  
Breathe your life into me  
I still need you  
I'm falling, falling  
Breathe into me  
Breathe into me  
Breathe into me  
Breathe into me

Breathe your life into me  
I can feel you  
I'm falling, falling faster  
Breathe your life into me  
I still need you  
I'm falling, falling  
Breathe into me

Breathe your life into me!  
I'm falling, falling faster  
Breathe your life into me!  
Falling, falling, falling  
Breathe into me  
Breathe into me  
Breathe into me  
Breathe into me
