(Hear me)
Now the damage is done
I can't escape, can't run
Can't undo what I've done
(I am waiting)
Do you hear me now?
Will you answer me?
Are you even there?

DON'T LOOK AWAY

All I do is damage, DAMAGE
It's destroying me
All I do is damage, DAMAGE
I'm sick of the misery

(Hear me)
I am human debris
I am crashed and dead
I'm a catastrophe
(I am waiting)
I am human debris
I am crashed and dead
I'm a catastrophe

All I do is damage, DAMAGE
It's destroying me
All I do is damage, DAMAGE
I'm sick of the misery

Take this away
It was just a mistake
Save me
'Cause all I do is damage

(I am covered in shame)
(There is no one to blame)
(I am covered in shame)
(I have no one to blame)
(I have no one to blame)
(I am covered in shame)

(I have no one to blame)
(I have no one to blame)
SHAME
I am COVERED, I am COVERED
SHAME
I am COVERED

Take this away
It was just a mistake
Save me
I'm a catastrophe

All I do is damage, DAMAGE
It's destroying me
All I do is damage, DAMAGE
I'm sick of the misery

Damage, DAMAGE
(Are you even there?)
It's destroying me
All I do is damage, DAMAGE
(Will you answer me?)
I'm sick of the misery
