(Verse)

I know you hate me
I never meant to make you feel this way
I feel so betrayed
I never thought I could feel condemned
I never thought I could feel all your sin

(Chorus)

I can feel your madness now
I can feel your fire now
It's what I burn for
It's what I bleed for
I would die for you

You know I'd die for you

(Verse)

I feel exposed, I feel disgraced
I feel a whole new kind of hate
Someone please tell me what I'm supposed to do
'Cause you hate me but I love you

(Chorus)

I can feel your madness now
I can feel your fire now
It's what I burn for
It's what I aim for
It's what I bleed for
I would die for you

I can feel your madness now
I can feel your fire now
It's why I'm breaking down
Ain't coming back around
Now I'm telling you
I would die for you

You know I wish I didn't feel this way
I ain't gonna change

(Chorus)

I can feel your madness now
I can feel your fire now
It's what I burn for
It's what I aim for
It's what I bleed for
I would die for you

I can change to better right
I could feel your fire now
I can feel your fire now
It's why I'm breaking down
Ain't coming back around
Now I'm telling you
I would die for you

You know I'd die for you
