I tried to walk together  
But the night was growing dark  
Thought you were beside me  
But I reached and you were gone  
Sometimes I hear you calling  
From some lost and distant shore  
I hear you crying softly for the way it was before

Where are you now?  
Are you lost?  
Will I find you again?  
Are you alone?  
Are you afraid?  
Are you searching for me?  
Why did you go?  
I had to stay  
Now I'm reaching for you.  
Will you wait? Will you wait?  
Will I see you again?

You took it with you when you left  
These scars are just a trace  
Now it wanders, lost and wounded  
This heart that I misplaced

Where are you now?  
Are you lost?  
Will I find you again?  
Are you alone?  
Are you afraid?  
Are you searching for me?  
Why did you go?  
I had to stay  
Now I'm reaching for you  
Will you wait? Will you wait?  
Will I see you again?
