Can I be dreaming once again?  
I'm reaching helpless I descend  
You lead me deeper through this maze  
I'm not afraid

I'm lost in you  
Everywhere I run  
Everywhere I turn I'm finding something new  
I'm lost in you something I can't fight  
I could not escape  
I could spend my life lost in you! Lost in you!

Your whispers fill these empty halls  
I'm searching for you as you call  
I'm racing, chasing after you  
I need you more

I'm lost in you  
Everywhere I run  
Everywhere I turn I'm finding something new  
I'm lost in you something I can't fight  
I could not escape  
I could spend my life lost in you!

I could never be the same here  
It's something I never could erase  
I could never look away  
I lost myself in you!  
It's all over now!

Lost in you! Everywhere I run  
Lost in you! Everywhere I run!  
Lost in you!  
Lost in you!
