You always said we'd meet again
You always said you'd be here
Where are you now?
You touched the deepest part of me
The places I could not see
Just tell me why I'm so dark inside

Somewhere I will find
All the pieces torn apart
You just left behind
In your mystery
Somewhere I will see
All you've taken from me
All you kept deep inside
In the mystery of you
The mystery of you

It's obvious you understand
The blood that's on my hands
Where are you now?
I'm paralyzed, I can't escape
Until I see your face
Don't leave me all alone
You're all I know

Somewhere I will find
All the pieces torn apart
You just left behind
In your mystery
Somewhere I will see
All you've taken from me
All you kept deep inside
In the mystery of you
The mystery of you

You're all I know
You're all I know

Don't go, don't go
Somewhere I will find
All the pieces torn apart
You've hidden deep inside

The mystery of you
Somewhere, somewhere
The mystery of you
Somewhere
