I know you, who are you now?
Look into my eyes if you can't remember
Do you remember? oh!

I can say, I can still find
You are the only voice my heart can recognize
But I can't hear you now, yeah

I'll never be the same
I'm caught inside the memories
The promises, our yesterdays
When I belonged to you
I just can't walk away
Cause after loving you
I can never be the same

And how can I pretend I never knew you
Like it was all a dream, no!
I know I'll never forget
The way I always felt with you beside me
And how you loved me then, yeah!

I'll never be the same
I'm caught inside the memories
The promises, our yesterdays
when I belonged to you
I just can't walk away
Cause after loving you
I can never be the same

You led me here
but then I watched you disappear
You left this emptiness inside
And I can't turn back time
No, stay
Nothing compares to you
Nothing compares to you
I can't let you go
Can't let you go
I can't let you...

I'll never be the same

Not after loving you,
not after loving you, no

I'll never be the same
I'm caught inside the memories
The promises, our yesterdays
when I belonged to you
I just can't walk away
Cause after loving you
I can never be the same
I can never be the same
I will never be the same

I just can't walk away
No I can't walk away...from you
