Selena talk part)

Sometimes at night when i go to sleep I  
Hold my pillow tight, thinking of  
You 'til it hurts- But in my mind I know you're  
Thinking of me to

I miss you, Thinking of you- you're always on my  
mind

(Selena 1st verse)

You're always on my mind, Day and Night  
When I think of you, everthing feels so right  
Well, I often think of the happy times we spent  
together and I just can't wait to tell you  
that "i love you"

(Selena 2nd verse)

Time keeps passing by (you're not here) I feel so all  
Alone  
When I don't have you near, But i often think of  
the happy times we spent together and I just can't  
wait  
To tell you that " I love you"

(Selena and full force chorus)

I'm missing my baby, Missing my baby  
I wanna hold you tight and never let you out of  
my site.
