"Whisper In The Air"

There is a whisper in the air,
There is a whisper in the air,
Change is on its way,
Change is on its way,
Change is on its way.

Let's stand for something,
Let's stand for something,
Let's dig our heels in,
Let's raise the roof.

There is a whisper in the air,
A whisper in the air,
A whisper in the air.

And if you wonder where your voice is,
It's right beside your heart,
If you wonder who will listen,
It's anyone who dares.

There is a whisper in the air,
A whisper in the air,
A whisper in the air.

I can hear it,
I can hear it,
I can hear it,
I can hear it...

There is a whisper in the air,
A whisper in the air,
A whisper in the air.
