I'm looking for a love, a love without danger  
A special kind of love, love without danger  
Don't fight it, don't try to hide it when I  
I need another love, love without danger  
My life would be complete, if you'd be my angel  
You looking oh so sweet and making love so well  
Don't hide it, see what we can find then my  
My life would be complete, you'd be my angel  
Love's blind, see me through it baby  
My life is oh so sweet, you are my angel  
You make it so complete, love without danger  
So right, so right I can't believe it  
So right I'm so glad we made it  
My life is oh so sweet, you are my angel  
You make my life complete and making love so well  
You be my angel, my angel  
You be my angel, my angel
