[Hook]

Champagne for the pain  
I've been blowing all this money  
Tell 'em n\*ggas keep the change  
I got girls doing girls  
I'm a real motherf\*cker  
Real n\*ggas run the world ah  
Everybody f\*cking tonight  
Everybody f\*cking tonight  
I got girls doing girls  
I'm a real motherf\*cker  
Real n\*ggas run the world ah

[Verse 1: Red Cafe]

Dear God, I'm a baller  
F\*ck a pretty girl, I don't call her  
Smoking good, living motherf\*cking great  
Me and my word are raw, and my liquor no chase  
B\*tch straight up, straight up look I've just got my  
weight up  
So when I tell her buss it for me she don't tell me wait  
up  
We smoking exotic, we stacking this profit  
We running the streets, getting paper, be the topic  
This the hood n\*ggas, why they judging me?  
Hating on me but the real n\*ggas f\*ck with me  
My lady said she don't want no money, just time  
Bullsh\*t, my lawyer showed me money buy time  
I've been on the grind, paper-flipping acrobatic  
F\*ck with bad boy, made sense mathematical  
Hold up, I just seen a dealer in the mirror  
Shawty pull your titties out for a bad ass n\*ggas

[Hook]

Champagne for the pain  
I've been blowing all this money  
Tell 'em n\*ggas keep the change  
I got girls doing girls  
I'm a real motherf\*cker  
Real n\*ggas run the world ah  
Everybody f\*cking tonight

Everybody f\*cking tonight  
I got girls doing girls  
I'm a real motherf\*cker  
Real n\*ggas run the world ah

[Verse 2: Young Jeezy]

I say now real n\*ggas run the world, real hustlers run  
the girl  
She rocking tequila all night till I f\*ck it up  
Twirl the parking lot, why you screaming? It's the  
f\*cking world  
Worked out with them bricks, damn right, you know we  
like to curl  
Short day, long nights, purr my baby long time  
I be in the coupes, so much she sweating for those old  
stripes  
Make them boys stay the night, you can call it slumber  
party  
Could be over any day, every night I'ma party  
Last night I went so hard I almost died I swear to God  
These n\*ggas hood passing, checking out, yea I swear  
they froze  
Pull up in that Murcie', have mercy on them b\*tches  
Keep a bottle water for these thirsty ass b\*tches  
All bullsh\*t aside I used to hustle on the go  
Throw a milli for the penthouse and guess who is the  
owner  
These hating ass n\*ggas say something about nothing  
Champagne for the pain tonight everybody f\*cking

[Hook]
