And they ain't talkin 'bout shit unless they discuss me
Funeral Fab, yeah I'm in the building y'all
All black on and I be killin y'all
So, the name speak for itself
You have a loser plus a lame that'll equal yourself
Live from Bedford-Stuyvesant, the livest ones
Still on my +Grizzlies+, no Iverson (Waddup A.I.?)
You ain't no gangsta, you an off-duty cop
With ya fake ass, they should call you booty shots
Yankee game, better seats than Rudy got
Fruity pot has me wit the eyes Matsui got (nice)
That nigga, that you are not
Red dot on ya head's the best tattoo you got

From the east, opposite of Kanye
No appetizers it's just entrees
Just four doors, maybe a couple Coupes
Everybody's eatin, no Cup A Soup's

Drinks don't stop, party all night
