[Background]

Money money money  
Money money money  
(repeated)

[Red Cafe]

Hey hey, everydayday I hustle everyday I'm getting  
money  
If her p-ssy good everyday I'm spending money  
throw it in the bag, throw it in the bag  
I aint got credit but your dog got cash  
money money money stay out of my lane  
your team running laps,  
my team run the game  
this is America aint shit free  
I need my money tall, at least six three  
blaacka blaacka blaacka  
money money money  
any given day Im pouring honey on your honey  
and I murder everybody OKAY everyday say it  
money money money  
if you broke I'm sorry

[Hook]

money money money  
money money money  
that girl need  
money money money  
my people need  
money money money  
what else, that girl need  
money money money  
she getting  
money money money  
she getting  
money money money  
Im getting

[Diddy]

wake up in the morning  
take a money shower  
now I'm smelling like money got the money and the

power  
bad boy money, Martin and Will  
my face good money the should put me on the bill  
I pioneered the jets and the yachts and the shoppers  
crushing model chicks, throwing minks on the toddlers  
Nasdaq money, Dow Jones homes  
money money money muthaf-cker daddy's home  
Cash money young money bad boy money  
shorty said I boss never throw toy money  
so blah blah make that thing bounce with these  
hundred dollar bills  
now I'm getting money I ball  
I remember I had no money at all  
now Im so shallow name brand apparel  
Im in that new new everyday wanna battle

blaacka blaacka blaacka  
money money money  
any given day Im pouring honey on your honey  
and I murder everybody OKAY everyday say it  
money money money  
if you broke I'm sorry

[Chorus]

[Fabolous]  
Clap for that money like the booty on shorty then  
ya'll just keep clapping studio audience  
told her stretch it out like she do it in the (?)  
and bust it bust it bust it like she snuck a glock 40 in  
daddy gon show you how a store feel  
I got millions of ways young (?)  
married to the money  
faithful to the millions  
got my money up  
safe as up in ceilings  
[End]
