Anytime you need me baby
Anytime at all
I'll be there everytime you call

You can count on me
You can count on me baby
Cuz I love you so
There ain't nothing in the world I won't do

If you need a lover
If you need a friend
Open up the door and just let me in

You can count on me
You can count on me baby
Cuz I love you so
There ain't nothing in the world I won't do
Yeah

If you need a lover or if you need a friend
Open up the door and just let me in

You can count on me
You can count on me baby
Cuz I love you so
There ain't nothing in the world I won't do

You can count on me baby
You can count on me

You can count on me baby
You can count on me
Cuz I love you so
There ain't nothing in the world I won't do

Cuz I love you so
There ain't nothing in the world I won't do

Cuz I love you so
There ain't nothing in the world baby yeah that I won't
do
