Low.

Written by: Angela McClelland.

I know its its her fault not yours,  
I turn to all the closing doors,  
Nothing works for me,  
You dont know how shit life can be!

This was just so wrong,  
No pain should last this long,  
I try to ignore the feeling,  
Screw the cards that life is dealing.  
This was just so wrong,  
Thats why i wrote this song,  
I try to let it go,  
My life is just so low.

When I see you at school,  
I like totaly loose my cool,  
Cause you're the one I wanna kiss,  
you're the one that I miss.

This was just so wrong  
No pian should last this long,  
I try to ignore the feeling,  
Screw the cards that life is dealing.  
This is just so wrong,  
Thats why I wrote this song,  
I try to let it go,  
My life is just so low.

Why cant we work it out?  
Why cant we be together?  
Why do I feel this way?  
Dont wanna be miserablefor  
EVER!!!

This was just so wrong,  
No pain should last this long,  
I try to ignore the feeling,  
Screw the cards that life is dealing.

This was just so wrong,  
Thats why i wrote this song,  
I try to let it go,  
My life is just so low. x2
