Verse 1:

You suck that down
You burn that crown
I'll leave you alone
I'm not doing this
You're the one who kissed
Me first
Regret it you fuck cause I'm not alert

Chorus:

Was this what you wanted
What you bargained for?
You thought I would be better
But I'm just a fucking whore
Leave it alone
Cause I'm leaving you
Stay at the throne
I won't need your diamonds.

Verse 2:

I'm not a prize
Was I ever a fucking princess?
Black smudged mascara
Yeah use that as imagery
Black smudge across your face
I slap your innocence away.

I SLAP YOUR INNOCENCE AWAY€|

Chorus:

Was this what you wanted
What you bargained for?
You thought I would be better
But I'm just a fucking whore
Leave it alone
Cause I'm leaving you
Stay at the throne

I won't need your diamonds.
