Oh Donna (may be Darling), oh Donna
I had a girl, Donna was her name
Since she left me, I've never been the same
Well I love my girl, Donna where can you be
Where can you be
Now that you've gone, I'm left here all alone
All by myself to wonder what went wrong
But I love my girl, Donna where can you be
Where can you be
Donna now that you're gone I don't know what I'd do
Oh I'm dying, found my love for you, just for you
Oh Donna, oh Donna
Oh Donna, oh Donna
I had to reason many times
Was a red headed girl, Donna was her name
...wear my ring well I just think I'll never be the same
Because I'll always love my girl and I wonder so where
Where, where, where can you be, where can you be
Donna now that you're gone I don't know what I'd do
Oh I'm dying, found my love for you, just for you
Oh Donna, oh Donna
Oh Donna, oh Donna
Where can you be
