I'm left in misery
A girl I love's gone across the sea
I'm all alone ain't got no home
Mandy was her name sleeping was her game
She didn't care about me oh god can't you see

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy

I need her tender touch oh I need it oh so much
I can't forget oh I'm so upset
I wonder where she's gone I wonder where she went
wrong
I wanna get her back to me but I think she's tired of me

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy

Everytime I think of her it brings back memories
I remember how it used to be oh baby can't you see
Oh baby come and come back to me

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy

Oh my darlin can't you see
You're the one that means so much to me
I know I need your tender touch
I can't wait to feel your crutch what a crutch
I can't wait to fuck it

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy

I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
I'm a lonely boy
