I'm a street walking cheater with a heart full of napalm
I'm a run-away son of a nuclear A-bomb
I am a world's forgotten boy
the one who's searchin' to destroy

somebody gotta help me please!
somebody gotta save my soul!
baby will ya take my mind?!

look out honey 'cause I'm using technology
ain't got time to make no apology

Soul resurrected in the dead of night
love in the middle of a fire fight

honey got to help me please
somebody gotta save my soul!
baby will ya take my mind?!

Honey, I'm the world's forgotten boy
the one who's searchin', searchin' to destroy
[repeat]

look out honey 'cause I'm using technology
ain't got time to make no apology

Soul resurrected in the dead of night
love in the middle of a fire fight

honey got to help me please
somebody gotta save my soul!
baby will ya take my mind?!

Honey, I'm the world's forgotten boy
the one who's searchin', searchin' to destroy
[repeat]
forgotten boy
forgotten boy

YEAH!
